- A: Are you in any club at school?
 B: No I'm not. How about you?
 A: I'm in the track and field club.
 B: Oh, really! What's track and field?
 A: Track and field is sports like running, high jump, and javelin throwing.
 B: Wow! Do you do all of those?
 A: Yes, but some I'm not very good at. I'm best at running.
 B: Do you enjoy it?
 A: Yes. Even though I'm not very good at some of the events, being in a club is a good way to make friends. Say, why don't you join my club?
 B: I don't know if I would like it.
 A: Well, come along and watch us one time.
 B: O.K. When do you meet?
 A: Twice a week. On Mondays and Thursdays.
